ANOTHER TRAIN WRECKED

B. & O. EXPRESS LEAVES THE TRACK
IN WASHINGTON CITY.

The Engineer Killed and Many Others
Seriously Injured—A Four-Story Signal
Tower Completely Demolished—How
the Accident Occurred—The Victims.

WASHINGTON, Aug. 18.—A frightful rail-
road accident occurred on the Baltimore &
Ohio railroad this morning within the limits
of this city. The limited express, No. 4, due
from Chicago and Cincinnati at 6:30, hav-
ing two sleepers, two day coaches, two bag-
gage cars and one mail car attached to the
engine, ran away from the engineer at
Gales Woods. The air-brake broke and the
train came thundering along at a fearful
rate of speed. Just before the "Y" was
reached, the engine jumped the track, car-
rying the train with it. The signal tower,
which was a four-story building, was cut
from its foundation as if by a razor.

The news of the disaster spread through
the city with great rapidity, and thousands
hastened to the scene of the accident. It
was almost the exact spot where the fatal
accident of the summer of 1884 occurred.
When the crowd reached the scene the train
lay stretched like a wounded snake, extend-
ing from First street, northeast, to Dela-
ware avenue. The engine lay completely
overturned and smashed out of all semblance
to a locomotive. The tender was but a mass
of iron bolts and bars. Fences, sheds and
everything in its track were swept away be-
fore the irresistible rush of the iron
monster.

The engineer, Hamilton Brosius, of Bal-
timore, was scalded to death. He was taken
into Mrs. Ellen Dent's house, 833 Delaware
avenue, corner of I street, where he died two
hours afterward. The fireman, named
Smith, jumped from the engine and had his
legs broken. He is not expected to live.
William Baxter, the operator employed in
the tower, saw the train and saved himself
by jumping out of the window and catching
in a tree near by. Joe Healy, a boy em-
ployed in the tower, was seriously hurt.

The following is as complete a list of the
killed and injured as it is possible to obtain
at this writing:

Killed: Hamilton Brosius, of Baltimore,
engineer.

Injured: Charles Koch, of Cincinnati,
badly injured in the back.

Mrs. Charles Koch, of Cincinnati, slightly
shocked.

Charles Morrison, of Cincinnati, injured
in the back.

Frank Donaver, of St. Louis, shoulder
dislocated.

J. H. Smith, of Cincinnati, fireman, both
legs broken.

Wilhelm Buck, of Cincinnati, head badly
cut.

Mrs. Mary Buck, of Cincinnati, shocked.
Ed. Lechemeyes, of Cincinnati, slightly
injured.

Joe Healy, of Washington, seriously in-
jured.

Will Baxter, telegraph operator, of Wash-
ington, painfully injured about the head.

With the exception of the two last named
the injured are at Providence hospital.

Healy and Baxter have been carried to their
respective homes.

Miss Ellen Dent, in whose house the en-
gineer died, says: "Mrs. Brosius presented a
pitiful sight. He was scalded from his head
to his feet. His face was like a lobster, and
his eyes, I never saw the like of them before.
He lived two hours. I'm glad he was a
single man."

A man who was in the house said he had
been railroaded for the last thirty years
and had been in many accidents, but never
before in his life had he witnessed such a
complete wreck.

William H. Rollins, of 831 Second street,
who was formerly fireman for Engineer
Brosius said to a representative of the
United Press: "Just as soon as I heard the
distress whistle I knew there would be an
accident. They were late and were coming
in at the rate of sixty miles an hour. The
air brakes would not work, and he blew the
distress for his crew to put the hand brakes
on, and some people think they had time to
get them on, but it seems they didn't."

Wreck in New Jersey.

NEW BRUNSWICK, N. J., Aug. 18.—While
a freight train was drilling at East Brun-
swick this morning, it crashed into the rear
end and derailed five cars, throwing them all
over the track. Several brakemen were
asleep in the caboose and barely escaped
with their lives. On the top of this came
another freight train which crashed into the
rear of the second one, throwing several
cars from the track. The engineer and fire-
man jumped in time to save their lives.

The Treacherous Trestle Again.

CENTRALIA, Ill., Aug. 18.—The Illinois
Central Railroad company is constructing
a new bridge over Big Muddy, between Car-
bondale and De Soto, and at present is
using a temporary trestle work for trains to
pass over. About 5 o'clock yesterday,
shortly after a passenger train had passed
over, coming north, the north span went
down, carrying with it a car load of stone
which had been run out on it. One man is
reported to have gone down with it.

WHITE SLAVES.

A Young German and His Wife Sold to a
Yucatan Slave.

CHICAGO, Aug. 18.—An Inter-Ocean
special from Au Sabie, Mich., says: Ernest
Schoelze, a newcomer here, tells a start-
ling story of personal outrage. With his
wife and one son, Schoelze sailed from
Carlsbad for the United States. Their ship
touched at a Yucatan port, and Schoelze
and his family, together with a number of
other emigrants, were sold into slavery.
They remained in the interior of the coun-
try eighteen months, and then escaped to
Campechy, only to again be taken into cus-
tody and subjected to the most inhuman
treatment.

They were compelled to work in the broil-
ing sun without covering to their bodies; his
wife was driven into the field to work three
days after the birth of a child; they were
provided with but two pounds of corn meal
a day, and this continued nearly two years
and a half. Then the wife fell ill and was
sent to the hospital. The husband was al-

lowed to visit her occasionally, and while
making one of these visits he fell in with a
German sailor, who agreed to carry the fam-
ily to Logona, whence they were sent to the
United States by the German consul.
Schoelze and his wife show upon their per-
sons the effects of the inhuman treatment
given them.

DR. M'GLYNN'S FRIENDS PLEASED.

The Deposed Priest Dines With a Num-
ber of Clerical Friends.

NEW YORK, Aug. 18.—Two statements
were made public yesterday, that give a
great deal of pleasure to the friends of Dr.
McGlynn. One was to the effect that at the
recent celebration of the Rev. Dr. Burtell's
twenty-fifth anniversary as pastor of the
Church of the Epiphany, Dr. McGlynn was
one of the thirteen clerical friends invited to
dine with Dr. Burtell in honor of that occa-
sion, and the invitation was accepted. It
was further stated that none of the other
clergymen made the slightest objection to
the presence of the excommunicated priest.

The second statement was to the effect
that later Dr. McGlynn dined at Long Beach
with a company of Catholic clergymen and
prolates, including Dr. Burtell, Bishop
Moore, of Florida, the Rev. Dr. McSweeney,
of St. Bridget's, who, it is said, will be made
a bishop before long, and the Rev. Dr. Cur-
ran. This is not exactly correct, but the
first report is entirely so, according to Dr.
McGlynn himself. He was asked about the
matter in the Grand Central depot last
evening as he was about to start for Syra-
cuse. "It is a fact," he said, "that I took
dinner with my friend, Dr. Burtell, in
honor of his twenty-fifth anniversary as pas-
tor of his church, last week. I did meet the
gentlemen you mention at Long Beach also,
but the meeting was entirely accidental. I
went down there with my sister's children.
I did not, however, dine with the party."

A few of Dr. McGlynn's friends seem to
think that this action will cause the arch-
bishop to take Dr. Burtell to task. Whether
this will be done or has been done could not
be ascertained.

Friends of Dr. Curran are indignant at the
reiteration of the statement that he has
abandoned Dr. McGlynn. Said one of them
last night: "Dr. Curran's position is simply
this: he was told by his ecclesiastical super-
ior that he had done wrong in attending the
labor picnic. He replied that he was not
aware of the fact, but if so he was sorry for
it. Furthermore, he told the archbishop that
if he ordered him to attend no more
gatherings of the kind, he would respect the
order. Dr. Curran is still solid for Mc-
Glynn, of that you may rest assured."

UNITED LABOR CONVENTION.

The Disturbance Which the Socialists are
Raising in New York.

SYRACUSE, N. Y., Aug. 18.—The morning
trains from all directions brought delegates
to the United Labor convention. The ar-
rivals up to 9 a. m. were not as large as had
been expected, less than one hundred coming
from New York and Kings county. The
state executive committee held a meeting at
9 o'clock, and received the credentials of
about 250 delegates and alternates. The So-
cialistic contesting delegations from New
York were given tickets of admission to the
hall with the others. At 10 a. m. the com-
mittee went into executive session and be-
gan to prepare the list of delegates.

It was nearly 2 o'clock when the con-
vention was called to order by Jeremiah Mur-
phy, of New York. Rev. Dr. McGlynn and
Henry George entered together, and were
loudly applauded. There were 600 specta-
tors, many of whom joined in the applause.
About two hundred delegates were seated in
the hall when the convention was called to
order. Chairman Murphy called on
Augustus Levy, the secretary of the state
committee to read the call for the conven-
tion. The calling of the roll followed, and
when the names of Dr. McGlynn and Mr.
George were mentioned there was more ap-
plause. By this time it was pretty well un-
derstood that the committee on credentials,
with whom it left the power to decide the
admission of the protesting Socialistic dele-
gation, will oppose granting them seats in
the convention.

Henry George Denounced.

NEW YORK, Aug. 18.—Lawrence Gron-
lund, the Socialist leader, has issued a
pamphlet for distribution at the Syracuse
United Labor party convention to-day, en-
titled "Socialism vs. Tax Reform; an An-
swer to Henry George." It contains thirty-
four closely printed pages, and will be used
as a campaign document by the Socialists.
It is divided into five parts: First, "Henry
George, the Exploiter," second, "Land in
its Relation to Capital," third, the "Wage
System and Land Tax," fourth, "Individ-
ualism and Freedom," fifth, "Keep the
Party on the Track." The first four sec-
tions contain a vigorous attack on George
and criticisms of articles of his, published in
the Standard.

Peculiar Distinguishing Death.

NEW ORLEANS, Aug. 18.—Information
came from Biloxi, Miss., that Mrs. Lillie
D. Murray, wife of Dr. R. D. Murray, of
the United States marine hospital service at
the quarantine station at Ship Island, died
yesterday evening of peritonitis. She leaves
five children. As no intercourse is per-
mitted between the quarantine station and
the mainland Dr. Murray and his family
are isolated from their relatives, which ren-
ders this calamity peculiarly distressing.
There are no ladies on the island, and no
clergyman could be obtained to administer
the consolation of religion. The body was
embalmed, and will be kept in a building on
the island until quarantine restrictions are
raised after frost falls, when it will be sent
north for burial.

Oldest Flour Mill in Ohio Destroyed.

MARIETTA, O., Aug. 18.—Harmar, near
here, was visited this morning by incen-
daries, who fired the extensive flouring
mill of A. Dirks & Co., J. L. Styne, of
Pittsburg, and C. W. Jenney, of this city,
being Dirks's partners. The fire occurred
at 2 o'clock, and consumed the mill and con-
tents, including 1,000 bushels of wheat. In
1833 the mill was equipped with a full roller
process, being the second in the state to in-
troduce the system. The loss is \$30,000; in-
surance \$12,000. The O. W. & B. railroad
bridge, close by, was seriously damaged.
The fire department could do nothing but
save other property. The mill was doing
an extensive business, and will be a great
loss to this section, being one of the oldest in
the state.

THE INDIAN UPRISING.

GOVERNOR ADAMS ORDERS OUT COL-
ORADO'S STATE MILITIA.

Forty of Sheriff Kendall's Cowboys Desert
Him and He Returns to Meeker for
Reinforcements—Chief Colorow's Son
Killed—An Expected Massacre.

MEERER, Col., Aug. 18.—Sheriff Kendall
and seventeen men arrived here last night.
The sheriff left here with nearly sixty men,
but in the face of Tuesday's battle forty of
the cowboys deserted. The settlers and
cowboys continue to come in with their
families. The Indians are divided into three
bands and are attempting to join forces.
Colorow will have about two hundred bucks
when the junction is effected. A buck killed
in the first skirmish was Colorow's son, and
it is expected when he learns this he will
attempt a massacre. There are four hun-
dred women and children here now.

Governor Adams has ordered the cavalry
companies at Denver, Colorado Springs,
Canon City, Leadville and Aspen to start
for the front at once. The governor also
telegraphed Gen. Crook at Omaha, that the
situation was becoming serious, and urged
the war department to protect the settlers.
It is denied that serious results are antici-
pated unless prompt action is taken by the
state militia. Harry Goff, one of the cour-
iers sent from here to Glenwood, has been
captured by the Indians.

The present Ute Indian outbreak grows
out of the dissatisfaction felt by many Utes
with the settlement of the difficulties several
years ago. Prior to 1879 a hue and cry was
raised by Colorado settlers against the Utes,
who then held some of the finest lands west
of the mountains. Settlers wanted the land,
so they appealed to congress and congress
passed the bill providing for a treaty. The
Utes were given choice of certain lands in
southern Utah, and as a bonus to induce
them to accept were granted certain annu-
ties. Chief Colorow was one of the first to
express dissatisfaction at being driven from
their fine lands at the point of the bayonet
into Utah, upon an arid desert. Colorow re-
turned to western Colorado with sixty
braves and their families. Since 1880 Colo-
row has been adding to his following. He is
a warrior, and will die fighting. He took
part in the frightful Meeker massacre at the
White river agency a few years ago.

Among his associates were the famous Capt.
Jack, who, when a prisoner, was ordered to
leave his tent, and upon his refusal was
blown out of the tent and out of existence
at the same time with a mountain howitzer.
Colorow used to visit Denver, and on one
occasion went to Governor McCook's office
and became rather insolent, and the gov-
ernor kicked Colorow out of his office and
down a flight of stairs into the street.

Afraid of the "White Caps."

NEW ALBANY, Ind., Aug. 18.—Theodore
Cross, a music teacher, has been ordered out
of Valone, Orange county, on pain of death
by the "White Caps," who allege that Cross
pays entirely too much attention to the
giddy girls of Valone, aside from teaching
them how to warble. Cross is a married
man, with family, and is quite a dashing,
handsome and intelligent individual—quali-
fications not essential in "White Cap" cir-
cles. Cross' class held a meeting yesterday
and passed resolutions declaring their
teacher a perfect gentleman, and denounc-
ing the "White Caps' action in scaring
him away as unlawful and outrageous, and
urgently requesting Cross to return. Cross,
who is in this city, replied to this kind in-
vitation in a brief note saying he had no time.

Death of a Venerable French Priest.

NEW ORLEANS, Aug. 18.—The venerable
old French priest of St. Martinville, Father
Auge Marie Jan, was found dead in bed
yesterday morning. He celebrated As-
sumption day and preached as usual. He
retired about 9 o'clock, and in the morning
was found a corpse. The whole community
is in mourning. All the bells in town were
tollled all day, and stores were closed in re-
spect to the memory of the beloved old man.
Father Jan was born in Brittany, France,
in 1802, was ordained a priest in 1823, and
came to St. Martinville in January,
1851, where he continued to live until his
death.

Pennsylvania's Railroad Guards.

PHILADELPHIA, Aug. 18.—Gen. Sheridan
has written Gen. Hartranft, of the
Pennsylvania National guard, expressing
his gratification at the great improvement
shown by the guard in the recent review, as
compared with the review of three years
ago. He says it is plain that these troops
are available for field service the moment
they are supplied with ammunition and
rations.

HAMILTON, O., Aug. 18.—John Connell,
aged twenty-two years, was arrested to-day
for forging the name of Joseph Augspurger
to a check for \$700. The money was re-
turned by Connell.

Cut His Throat.

TERRE HAUTE, Ind., Aug. 18.—Allen
Smith, an aged German, cut his throat from
ear to ear yesterday on account of some
trouble with his children, and died several
hours afterward.

Fell From a Window.

PADUCAH, Ky., Aug. 18.—Richard Lane,
fireman of the M. V. railroad, walked out
of a second-story window of the Huntington
house last night, while dreaming, and was
fatally injured.

Judicial Convention at Fremont.

FREMONT, O., Aug. 18.—The Democratic
judicial convention for this district is in ses-
sion at the city hall this afternoon. There
are five candidates, and a fight is imminent.

Drowned While Bathing.

CHARLESTON, W. Va., Aug. 18.—J. R.
Avery, a prominent young man of Coal
Valley, was accidentally drowned while
bathing. His body was recovered.

Strike Settled.

FALL RIVER, Aug. 18.—The strike of spin-
ners at the Mechanic's mill has been settled.
The American mills spinners are still out.

In Full Operation.

HARRISBURG, Pa., Aug. 18.—The Lochiel
furnace, which was blown in yesterday, is
full operation to-day.

A CARELESS CONDUCTOR.

How He Came Near Being the Cause of a
Frightful Wreck.

KANSAS CITY, Mo., Aug. 18.—Passengers
who went south on the Fort Scott & Gulf
road yesterday morning were treated to a
collision which was wonderful for the escape
of all from bodily harm. The passenger
train reached Lenoxa on time with a heavy
load, and the conductor had not finished
collecting fares, consequently was hurried,
and instead of reading his orders closely,
which told him to wait for two freight
trains, he asked the station agent if the
train on the side track was the one he was
to meet.

He was told "No," but misunderstood and
gave the order to go ahead. About one and
one-half miles from Lenoxa he met the
freight train, and the collision wrecked both
engines and tenders with five loaded freight
cars. Both engineers and firemen jumped
and saved themselves, and beyond a slight
shaking up the passengers were unhurt. Mr.
W. H. Plum, of this city, who was on the
train, says the topic of conversation just be-
fore the wreck was the recent horror at
Chatsworth, Ill., and when the shrieking
whistles announced the approaching danger
the greatest excitement prevailed. One lady
saped from the train, while a boy crawled
through a window.

Sporting Notes.

Detroit club has a surplus of \$20,000 over
expenses thus far.

It is claimed that in the event of Jake Kil-
rain whipping Jim Smith, Americans will
bring home a cool million.

Jack Bates, of Youngstown, knocked out
Fred. Painter, of Homestead, Tuesday, in
seven hard fought rounds. The mill took
place at Sunbank, on the Castle Shannon
railroad. About thirty of the select were
present.

At the Hamilton county, Ohio, fair Tues-
day eight horses were entered in the three
minute trot, beat three in five heats. Four
prizes were offered. The first, \$100, was
won by Gautier; the second, \$50, by High-
land Boy; the third, \$30, by George L., and
the fourth, \$20, by Galvan.

Saratoga Races.

SARATOGA, N. Y., Aug. 18.—This was
the eighth extra day. Weather pleasant,
track fast and attendance large. First race,
purse \$300, five furlongs; Mattie Lourain
first, Balance second, Jack Cocks third.
Time 1:04 1/2. Hamilton rode the winner.
Odds 7 to 2. They were at post one hour.

Second race, sweepstakes, one and one-
eighth of a mile; Grisette first, Nettle sec-
ond, Binnette third. Time 1:57 1/2. West
rode the winner. Odds 1 to 2 against Gris-
ette.

Third race, three-fourths of a mile; Santa
Rita first, Dudley Oaks second, Harry Glenn
third. Time 1:40 1/3. Odds 2 to 1. Win-
chell rode the winner.

Fourth race, one mile, selling; Unique
first, Warrington second, Chickahominy
third. Time 1:45. West rode the winner.
Odds 2 to 1.

Killed His Rival.

NEW ALBANY, Ind., Aug. 18.—Particulars
of a terrible murder reached this city this
morning from Frederickburg, Washington
county. John Hurtle and Robert Winnegar
have been paying attention to Miss Mary
Clinker, living near Frederickburg. Both
loved the girl, but neither could reach the
"popping" point, and a deadly hate between
the two men existed. Yesterday afternoon
Hurtle and Winnegar met in the barnyard
of the girl's residence, and in her presence
Hurtle deliberately attacked Winnegar with
a knife, carving him in a fearful manner
and causing death almost instantly. Hurtle
is still at large. The parties implicated are
said to be much respected in their com-
munity.

Texas Fever in Michigan.

ADRIAN, Mich., Aug. 18.—Two days ago
Joe Harris, a stock dealer in Adrian town-
ship, bought a herd of twenty-three Texas
cattle in Chicago, which had passed inspec-
tion. Last week eleven of the herd were
slaughtered for the local market here. Sun-
day a sickness, believed to be Texas fever,
developed in the balance of the herd, and
three have since died. The state veteri-
narian has left Lansing for this place to in-
vestigate.

Held on a Charge of Murder.

ZANESVILLE, O., Aug. 18.—The re-exam-
ination of Mrs. Anna Shoats, charged with
poisoning her child, resulted in her return
to jail on a charge of murder in the first
degree. The only new testimony of interest
was that of Professor Curtis C. Howard, of
Columbus, who analyzed the contents of the
child's stomach and found Paris green
present.

Three Three Card Monte Men in Hoc.

SEYMOUR, Ind., Aug. 18.—The three-card
monte sharps who in June last fleeced Zoo
Deputy, of Jennings county, out of \$3,000
cash and a note for \$600, were arrested in
Terre Haute yesterday while trying to fleec-
a farmer. Deputy and Prosecuting Stun-
ark, of Terre Haute, will bring the sharps
here for trial.

THURSDAY EVE., AUGUST 18, 1897.

It seems that the drouth has been broken for good this time. Let us hope that such is the case.

THERE never has been a period in the history of Kentucky when railroad building was more active than now. And the outlook for the future is bright and encouraging. Give us railroads and we will show you one of the most prosperous States in the Union in the course of a few years.

THE delegates who attended the State meeting of the Christian Church, at Maysville, last week, report a glorious meeting, and all of them are enthusiastic on the subject of Maysville's hospitality. From reports we should judge that "old Limestone" fairly spread herself. She generally does.—Carlisle Mercury.

MAYSVILLE unwittingly sent all over the State a fine advertisement of herself, in her generous treatment of the members of the State Convention of the Christian Church. They had carriages and street cars free, were entertained at residences, and a bounteous feast set in the basement of the fine church. All were kept in such good humor that large sums were given to missionary and other purposes.—Paris Kentuckian-Citizen.

Stock and Crops.

Bee men in some parts of the State say the drouth has made a failure of the honey crop.

Captain S. S. Brown, of Pittsburg, having made \$100,000 on Troubadour, thinks it about time to give the race horse a rest.

The continued dry weather is said to have stagnated business at Lexington. The farmers of Fayette County complain that they will not be able to make half a crop of anything.

If the drouth continues much longer farmers will be compelled to feed their stock. The grass is all parched and pasture furnish no more sustenance now than in the dead of winter.—Owen County Democrat.

The dairy cattle of the United States occupy 100,000,000 acres of pastureland and annually yield \$500,000,000 worth of dairy products, which include 1,850,000,000 pounds of butter, and 6,500,000,000 pounds of cheese. The yield of our dairies is more valuable than our wheat crop, and the capital engaged in their production amounts to \$3,000,000,000—about five times as much as invested in the entire banking interest of the country.

Personal.

Miss Laura Shea has returned from Mt. Sterling.

Mr. J. A. Campbell, of Carlisle, was here this morning.

Miss Mary Beardale has returned from Montegale Assembly, Tenn.

Hon. R. K. Hart and wife, of Fleming County, are attending the fair.

Miss May Jaubert, of Cincinnati, is visiting the family of Jailer Fitzgerald.

Charley Mitchel arrived from Cincinnati last evening to spend the week here.

YOUNG MEN'S FAIR.

The Attendance Better Than Ever Before on First Day.

Attractive Exhibition—List of Premiums Awarded—The Races. Neway Notes.

The third annual fair of the Young Men's Kentucky Fair Company is in full blast. It promises to surpass all previous shows held on the grounds, and these shows have all been successful.

Yesterday was opening day, and the attendance was splendid. The crowd was by far the largest ever seen on the grounds on the first day. This, too, notwithstanding the very unfavorable weather. The light showers in the forenoon kept many at home who would otherwise have helped increase the number in attendance. All who went took advantage of the opportunity and enjoyed a ride over the new railroad. The train leaves Commerce street every twenty minutes and lands passengers within a few feet of the grand stand. It is a great convenience, and the completion of the road will go far towards making the Young Men's Fair one of the biggest in the Ohio Valley. The grounds are in splendid order.

The meeting was opened yesterday with music by Haucke's Reed and Brass Band, which rendered choice selections at intervals during the day. The exhibition in the arena fully equaled that of similar rings at previous fairs. M. F. Fleming, A. W. Thompson and D. Ed. Bullock acted as directors. The following premiums were awarded:

Best pair of mules 2 years old or over, age to be considered, M. Brannan, Lewisburg, \$10.
 Mule, any age, Elzie Clift, Mayslick, \$10.
 Mule col., Isaac Jett, Robertson County, \$5.
 Jack, any age, Mark Brannon, Lewisburg, \$10.

Jennet, S. L. Davis, Reckerville, \$10.
 Saddle mare 4 years old and over, A. C. Jones, Bourbon County, \$15.
 Saddle mare 3 years and under 4, A. P. Darnall, Flemingsburg, \$12.

Saddle mare 2 years and under 3, D. B. Mitchell, Helena, \$10.
 Saddle mare under 1 year, A. W. Thompson, Mayslick, \$8.

Saddle mare, any age, A. C. Jones, Bourbon County, \$15.
 Draft stallion, any age, Michael Roush, Brown County, O., \$10.

Draft mare, any age, John Wilson, Ohio, \$10.
 Draft gelding, any age, Lee A. Evans, Brown County, O., \$10.
 Draft colt, under 1 year, George Kuovenshaw, Mason County, \$5.

The "pie match" in the afternoon was the source of much fun for the large crowd. A purse of \$3 was given to the party eating six pies in the shortest time, and a purse of \$2 to the next fastest eater. There were four contestants, all negroes: Jim Shaw, of Bourbon, and "Bath County Bill," William Bulger and Jim Bell, of this city. Bulger is a mere lad and two pies satisfied him thoroughly. He retired amid the cheers of the crowd. Shaw was an eater from way back, and seemed to enjoy the square meal hugely. He got away with his sixth pie in just seven minutes and a half by Colonel Pepper, the timer's watch. It was nip and tuck between "Bath County Bill" and Jim Bell for second money, but Bill got there a little ahead of Bell, and walked off with the two dollars.

But one race was trotted yesterday—the 3:00 class. The 2:28 class was postponed on account of the heavy rain, and will be trotted this afternoon. The track was in fair condition until the heavy shower at half-past 3 o'clock. In the 3:00 class, there were nine entries. Seven started. Hour, second favorite in the pools, won first heat, but King Clifton had no trouble from that on and carried off the purse. Judges: Colonel Stoner, of Paris, Colonel Frazier, of Cynthiana, President James W. Fitzgerald, of this city,—with Colonel Frazier as starter. Timers: Messrs. Knox and Bryant, of Lexington.

FLORAL HALL NOTES.

Kackley has the finest display of photographs ever seen on the grounds.

The exhibition in the Floral Hall is a splendid one. George W. Rogers is the

The Assembly Hop.

The hop given by the Maysville Assembly at the Neptune Hall last evening was a great success in every particular. An unusually large number of strangers were in attendance. A party came in from Blue Licks although the rain was falling in torrents when they started. WILLIAM ITSON is in custody at Paris on the charge of "moonshining" in Madison County.

"The leprous distillation, whose effect holds such an enemy with blood of man, that, swift as quicksilver, it courses through the natural gates and alleys of the body, and causes the skin to become 'barked about, most lacerated, with vile and loathsome crust.' Such are the effects of diseased and morbid bile, the only antidote for which is to cleanse and regulate the liver—an office admirably performed by Dr. Pierce's "Golden Medical Discovery."

BAD BLOOD.

"Bud" Hilen Attempts to take George Florer's Life, but is Prevented by Constable Redmond.

A quarrel yesterday afternoon about 1 o'clock between "Bud" Hilen and George Florer resulted in the shooting and wounding of the latter in the left arm. The difficulty occurred at the intersection of the new railroad with the pike leading to the County Infirmary, and not on the fair grounds as first reported. Florer is about twenty-five years old, is crippled in one leg from "white swelling, and was an inmate of the Infirmary for eleven years. Hilen, whose wife is matron at the above institution, is a sort of superintendent about the place. A month ago, he and Florer had a quarrel one day during which Florer attempted to shoot him. What this fuss was about has not been definitely learned. Florer left and went to Carlisle. He returned yesterday, and was walking out the railroad track to the fair grounds, when he was met by Hilen, (who was returning from the fair,) at the point named. The quarrel was renewed. Finally, Hilen out with his pistol. Constable Redmond, who had just arrived at the scene, seized Hilen and attempted to prevent any shooting. Hilen, however, thrust the pistol over the officer's shoulder, and fired three shots at Florer in quick succession. Florer was only four or five feet distant. He threw up his left arm and one of the balls penetrated above the elbow, ranging upwards and lodging under the skin at the back part of the arm. One ball cut the skin at the tip of the left shoulder-blade, and the last missed altogether. Florer was taken up to the grand stand, where Dr. Garrett Holton extracted the ball—a 38-calibre—and dressed the wound. Constable Redmond placed Hilen under arrest. Afterwards Hilen executed a \$500 bond before Squire Vicroy for his appearance this morning to answer the charge of shooting and wounding with intent to kill.

Hilen's examining trial this morning resulted in his being held to answer the charge at the next Circuit Court. He gave bail in the sum of \$300 and was released.

An End to Bone Scraping.

Edward Shephard, of Harrisburg, Ill., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well."

Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25c per box by J. C. Pecor & Co., and S. P. Campbell & Co., of Aberdeen Ohio.

JOHN R. PEBLES, P. E.

MR. C. C. HOPPER had a rather close "shave" this morning. While en route to the fair grounds in a buggy, the horse he was driving took fright at something along "Owens' Row," and started on a dead run. At the east end of Limestone bridge the animal fell, the shafts caught in the ground, and buggy and occupants turned a sort of somersault. JOHN REEDS, who was caught between a couple of cars yesterday while transferring some coaches to the new road, was not injured as badly as at first reported. He was walking about last evening. It was too tight a squeeze, however, to be enjoyed.

A COUPLE of the hands at work on the new railroad fell out about something yesterday afternoon near the station at the fair grounds, and one had got a good start at mauling the other's brains out with a jack-screw, when Dr. Owens, James Stewart and other by-standers interfered and put a stop to the booby work. The names of belligerents were not learned.

HECHINGER'S!

It is a familiar sounding name to most everybody, hence we need no further introduction to the visitors to our Young Men's Fair. We will simply say that, as usual, we desire all our visitors to make our storerooms headquarters. We will take the best of care of you. In anticipation of this year's Fair being the Kentucky Fair par excellence, we have thoroughly renovated, decorated and beautified our rooms to that extent that we can justly claim that we have the most elegant and best appointed Clothing establishment in the State. Though somewhat early for the coming season, we are already prepared to show our friends a full and complete stock of Fall Goods. We have no space to enumerate; we will only say this: we believe no house in the State shows as complete a stock of Tailor-made Clothing and Merchant Tailoring Goods as we do! Our prices, considering the class of goods we sell, will be found more than satisfactory. Gentlemen in need of Shirts, Underwear, Collars, Cuffs, Hose, Ties, &c., will find just what they want in our house. During the week our Mr. DAVE HECHINGER will be found at the helm, and will be glad to welcome all of his friends at the ODDFELLOWS' HALL CLOTHING STORE. Respectfully,

SECTION BOSS TO BLAME.

VERDICT OF THE CORONER'S JURY AT CHATSWORTH.

They are Still Undecided on the Question of Censuring the Railroad Company. Testimony Before the Inquiry—Relic Hunters to Be Arrested.

CHATSWORTH, Ill., Aug. 18.—Two primary facts were developed by the coroner's jury, which for seven long hours examined witnesses after witness yesterday afternoon. These were disobedience and obtuseness, the primary causes of the slaughter at the bulwer near here Thursday morning. Had Section Foreman Timothy Coughlan obeyed the instructions received from his superior officer, and had some of the men, one of them in particular, who saw lights on the railroad track for hour after hour on Wednesday night before the ill-fated excursion train came along, exerted themselves to the extent of a two mile ride on a hand-car, the catastrophe which has horrified the civilized world would never have occurred.

The inquiry took place in the public school building. Several residents of Piper City saw a light burning on the railroad track toward Chatsworth on the night of the accident made no effort to investigate the cause. Joseph Morris, a farmer, living half a mile south of the culvert, swore that he saw two or three of the section men firing the grass in proximity to the bridge just before dark on Wednesday afternoon. After dark he saw a blaze in that direction big enough to make him think that a building was on fire. His testimony was corroborated by other farmers.

The jury is in session, but there is delay in making out a verdict. The jury is agreed in fixing the immediate blame on Foreman Coughlan, but is divided, however, on the question of censuring the company. Some of the members think that because of hard work for many years it would be rather severe to censure the management, which has been putting the road on its feet and spending money to improve its condition. Others insist on censuring the practice of running double-headed. The jury is almost wholly composed of farmers. The company's officers at Peoria will make up the list of the dead and send it to the jury, and the document cannot reach Chatsworth before noon. A verdict will, of course, be delayed until then.

Coroner Long yesterday demanded possession of the gold watch found by Farmer Broadhead in the ashes of the wreck. Mr. Broadhead refused to give it up. Last evening Mr. Stevens, attorney for the road, advised that a subpoena be issued, and if Mr. Broadhead failed to give it up that he be arrested for larceny. Other parties who carried away valuable articles for relics will be looked after.

PENNSYLVANIA REPUBLICANS.

Proceedings of the State Convention at Harrisburg—The Ticket.

HARRISBURG, Pa., Aug. 18.—The Republican state convention was devoid of much interest, as the nominations were practically made last evening. The attendance was slim, the 204 delegates constituting more than half. No political body has ever convened here with so little friction, the delegates uncompromisingly submitting to the program of the leaders. There was a noticeable absence of prominent Republican politicians.

Walter Lyon, of Allegheny, was elected temporary chairman. He made a brief speech urging upon the convention the importance of the campaign of this year because of the effect it will have on the struggle for the presidency next year. He trusted the platform would have no uncertain sound on the great issues of the day. The usual committees were appointed, excepting a committee on credentials, as there were no contests.

Adj. Gen. Hastings was elected permanent chairman. In his address he predicted that after the nominations the Republicans would advance to the skirmish line of the great battle of 1888, and November's victory would notify other states that Pennsylvania was not satisfied with the present national administration.

After Hastings' speech W. E. Hart, of Harrisburg, was nominated for state treasurer, and Henry W. Williams, of Tioga, was nominated for supreme court judge.

Thomas V. Cooper was re-elected state chairman, after which the convention adjourned sine die.

W. C. DePauw's Will to Be Contested. NEW ALBANY, Ind., Aug. 18.—Mrs. Sarah E. McIntosh, oldest child of the late millionaire, Washington C. DePauw, who had married against her father's will, was virtually disinherited, all she received being two poor farms in Washington county, valued at probably \$5,000. She can not even dispose of these according to the provisions of the will. She claims to be entitled to one-sixth of the estate, valued at about \$6,000,000, and will therefore bring suit to break the will for the reason that it was un-justly executed.

Firemen's Association.

PLYMOUTH, Ind., Aug. 18.—The seventh annual meeting of the State Firemen's association convened in this city, delegates representing the volunteer departments from all parts of the state being present. The welcoming address was delivered by Hon. H. G. Thayer, and responded to by President Frank Finney, of Goshen, Ind.
